### Changes applied from January 1, 2023.

	Section	Heading	Brief description of the change
Print & Enclosing	8	Liability	Section 8 has been updated with text regarding when the Customer renewed production or an investigation.
Connect	4.4	Files via SFTP	Adding service
	9.2	Delivery of emails	Adding missing of receipt
PNSGTC – PostNord Strålfors General Terms and Conditions	N/A	Editorial changes	Editorial changes make up a large part of the changes in the document. Sections - headings and content - in the document have been reviewed and updated from a linguistic perspective. This is to facilitate and simplify reading comprehension.
	6-21	Numbering	Numbering of sections has changed since previous section 6 has been moved to current section 9.

---

2	Definitions	The definitions in section 2 have become fewer and clearer to facilitate and simplify reading comprehension.
6	Infringement	Section 6 in the previous version has been moved and included in the general clause regarding intellectual property rights, i.e. section 9 in the new version.
11	Changes of terms	Section 11 has been clarified by aligning text to facilitate and simplify reading comprehension.
19	Processing of personal data	Section 19 has been clarified by reducing and merging different definitions to facilitate and simplify reading comprehension.
21	Sanctions	Section 21 regarding international sanctions also includes EEA sanctions in addition to EU sanctions.
